

## Orezone Receives Environmental Approval for Bomboré Project

**May 18, 2016** – Orezone Gold Corporation (ORE: TSXV) is pleased to announce it has received the formal and final approval by the Ministry of Environment, Green Economy and Climate Change<sup>1</sup> for the Resettlement Action Plan (“RAP”) and the Environmental and Social Impact Assessment (“ESIA”) with respect to its ongoing mining permit application for its wholly owned Bomboré gold Project in Burkina Faso.

With the environmental approvals in hand, the project will be presented, in the coming weeks, to the National Commission of Mines<sup>2</sup>. The presentation is the final step in the permitting process before a decision can be made by the Council of Ministers and decreed by the Government to grant the mining permit; expected during the third quarter of 2016.

### About Orezone Gold Corporation

Orezone is a Canadian company with a successful gold discovery track record and mine development experience in Burkina Faso, West Africa. The Company owns a 100% interest in Bomboré, the largest undeveloped oxide gold deposit in West Africa, situated 85 km east of the capital city, adjacent to an international highway. The Company has completed a Feasibility Study and received all environmental approvals for a mining permit at Bomboré that is expected during the third quarter of 2016.
