

OREZONE ANNOUNCES OVERWHELMING SUPPORT FOR APPROVAL OF RESOLUTIONS AT SPECIAL SHAREHOLDER MEETING

August 31, 2021 – Vancouver, BC - Orezone Gold Corporation (TSX.V: ORE, OTCQX: ORZCF) (the “Company” or “Orezone”) announces that the matters, as set out in more detail in its Management Information Circular dated August 3, 2021 (the “Circular”), were considered and voted on by shareholders at the special meeting of shareholders held on August 31, 2021.

Shareholders overwhelmingly voted to approve the creation of a potential new control person of the Company, being Resource Capital Fund VII L.P. (“RCF VII”) and the issuance by the Company to RCF VII of a secured convertible debenture, each as more particularly described in the Circular. Shares beneficially owned by RCF VII were excluded from the vote as required by the TSXV.

Mr. Patrick Downey, the Company’s President and CEO commented, “We are very pleased with the shareholder turnout and thank our shareholders for their support with 99.78% of the eligible shares voting in favour of the RCF VII resolution. With this vote secured, we now expect to close the Convertible Note Facility, the Senior Debt Facility, and the Silver Stream Agreement in September 2021”.

About Orezone Gold Corporation

Orezone Gold Corporation (TSX.V: ORE OTCQX: ORZCF) is a Canadian development company which owns a 90% interest in Bomboré, one of the largest undeveloped gold deposits in Burkina Faso.

The 2019 feasibility study highlights Bomboré as an attractive shovel-ready gold project with forecasted annual gold production of 118,000 ounces over a 13+ year mine life at an All-In Sustaining Cost of US\$730/ounce with an after-tax payback period of 2.5 years at an assumed gold price of US\$1,300/ounce. Bomboré is underpinned by a mineral resource base in excess of 5 million gold ounces and possesses significant expansion potential. Orezone is fully funded to bring Bomboré into production with the first gold pour scheduled for Q3-2022.

Cautionary Note Regarding Forward-Looking Statements

This press release contains certain information that may constitute “forward-looking information” within the meaning of applicable Canadian Securities laws and “forward-looking statements” within the meaning of applicable U.S. securities laws (together, “forward-looking statements”). Forward-looking statements are frequently characterized by words such as “plan”, “expect”, “project”, “intend”, “believe”, “anticipate”, “estimate”, “potential”, “possible” and other similar words, or statements that certain events or conditions “may”, “will”, “could”, or “should” occur. Forward-looking statements in this press release include, but are not limited to, statements with respect to closing of the Bomboré Project debt package and the Bomboré project being fully funded to production and projected first gold by Q3-2022.

All such forward-looking statements are based on certain assumptions and analyses made by management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management and the qualified persons believe are appropriate in the circumstances.

All forward-looking statements are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements including, but not limited to, delays caused by the COVID-19 pandemic, terrorist or other violent attacks, the failure of parties to contracts to honour contractual commitments, unexpected changes in laws, rules or regulations, or their enforcement by applicable authorities; the failure of parties to contracts to perform as agreed; social or labour unrest; changes in commodity prices; unexpected failure or inadequacy of infrastructure, the possibility of project cost overruns or unanticipated costs and expenses, accidents and equipment breakdowns, political risk, unanticipated changes in key management personnel and general economic, market or business conditions, the failure of exploration programs, including drilling programs, to deliver anticipated results and the failure of ongoing and uncertainties relating to the availability and costs of financing needed in the future, and other factors described in the Company's most recent annual information form and management discussion and analysis filed on SEDAR on www.sedar.com. Readers are cautioned not to place undue reliance on forward-looking statements.

Although the forward-looking statements contained in this press release are based upon what management of the Company believes are reasonable assumptions, the Company cannot assure investors that actual results will be consistent with these forward-looking statements. These forward-looking statements are made as of the date of this press release and are expressly qualified in their entirety by this cautionary statement. Subject to applicable securities laws, the Company does not assume any obligation to update or revise the forward-looking statements contained herein to reflect events or circumstances occurring after the date of this press release.
